## Dress Code for Nurses

The Catholic Association has a dress code for nurses, working both in the Accueil and for ceremonial duties.

- Grey polo shirt for those nurses who are retired and also for student nurses.
- Navy or black work trousers
- Female nurses can wear a white dress if preferred
- Black/ navy sensible closed –in shoes

### Ceremonial Duties

- Ensure you are smartly presented. Female nurses can wear white dresses, and male nurses can wear a white tunic.

### PLEASE NOTE

- White / grey polo shirts are available for loan or purchase in Lourdes. Should you wish to borrow a polo shirt(s) there is a returnable deposit of £10/€15 per polo shirt.
- It would be helpful if you have your own white dress/white tunic – to bring with you for ceremonial duties and processions. WE HAVE A LIMITED NUMBER OF WHITE DRESSES AND TUNICS AVAILABLE FOR LOAN FOR THIS PURPOSE.
- Nurses will need to supply their own trousers/shoes.
- Retired nurses and students will wear grey polo shirts.
- HCA and carers with no pin number will work as brancardiers and handmaids.
